

## Carboun National Coordinators

**Algeria - Egypt - Libya - Morocco - Palestinian Territories - Qatar - Saudi Arabia - Tunisia**

Following the success of Carboun National Coordinators in Jordan, Lebanon, Kuwait, Morocco, and the United Arab Emirates, Carboun is offering professionals and academics from around the Middle East the opportunity to help shape the sustainable future for the region by joining Carboun as National Coordinators.

Carboun is the Middle East's first and only region-wide advocacy initiative promoting sustainability and environmental conservation. Carboun was established in 2010 as a non-profit initiative and seeks to achieve its mission of promoting sustainability through education, research, and outreach. The initiative currently has

The National Coordinator roles are currently available on part-time voluntary basis.

### Role Title
